Excitement is building as we get closer and closer to our first special service of the year - "Eat".

I am glad to confirm that plans for eating are at an advanced stage! Esther is coordinating a hearty meal of rice and three stews - one vegetarian and two

meat. There will also be a selection of deserts as well as the usual array of hot and cold drinks. The service will feature a sermon looking at what Jesus said about food - ranging from the literal to the spiritual. We will also have a performance from a men's singing group, and a powerful testimony.

This is a service we will not want our friends to miss! Please take a bunch of invitation cards away with you today and let people know about the event. Bear in mind that some folks make plans for their weekends some time in advance, so give them as much notice as you can.

We are conscious that without God's help this event will not be successful, but with His strength we can expect miracles to occur. Therefore we will have a prayer-chain in the week running up to the day. The family groups will be involved as follows:

- Monday Pinner & West Harrow
- Tuesday Kilburn & Harlesden
- Wednesday Wembley
- Thursday Watford & Rickmansworth
- Friday Singles & Teens
- Saturday Sudbury & Borehamwood

Family Group Leaders Meeting

Sunday 5th Feb 1.15-2pm

We are trying a different arrangement for our next family group leaders meeting. This one will be at church on the stage. The children can remain in the hall, and have fun playing. We would be grateful if some members not involved in the meeting could keep an eye on the children to make sure they stay safe. If you could assist with this please let me know. Many thanks for your help. Your brother, Malcolm

January prayer

Thank you for joining in the prayer focus for the UK & Ireland this month. All our churches have been praying for the same churches or ministries every day this month. The remaining topics and churches to be prayed for this month are:

- Today - Thames Valley
- 30 - The British Isles
- 31 - West London
